Who Owns Memory Project

Final Submission

Project title: ***Counter-Cartographies of Partition Memory: Recovery, Displacement, and Digital Public History***

Format: Infographic content-based presentation (made through Prezi)

Link:

https://prezi.com/craft/room/1JFYHRq7ouAmVVdva1HSZs?referral_token=hUChi2lnB3FN

Declaration:

I would like to formally declare that the research, analysis, interpretation, and intellectual content of the project are entirely my own original work. AI tools were used only in the formatting and visual design of the presentation and its associated media, including the slides and images. No AI tool was used to conduct, generate, or substantively develop the research presented in the project.
